

IACHEC Detectors and Background WG — 2025 Summary

International Astrophysical Consortium for High Energy Calibration

- Chair: Catherine Grant (MIT)
- Four excellent talks — please review the slides!
 - [Stefano Silvestri](#): Updates on IXPE background
 - [Hiromasa Suzuki](#): Particle-induced background of XRISM Resolve and Xtend
 - [Celia Sanchez-Fernandez](#): The calibration status of the RGS onboard XMM-Newton
 - [Nick Durham](#): Chandra ACIS Gain Calibration During Solar Max
- Do we want to include micrometeoroid rates in this WG purview?
